

## Mr. Ronald Garcia Barnes

October 6, 2025

On Monday, my beloved father, Mr. Ronald G. Barnes passed away peacefully in his sleep. Daddy was a true lover of life. He enjoyed freshwater fishing, muscle and classic cars, playing pool, dominoes, dancing, riding Triumph motorcycles, and above all, he cherished God and his family. My daddy had an aura about him that drew people in. He was the only man I know who could walk into any space and make several friends, no matter their race, color, or creed. I will miss his laughter, being called “pumpkin,” the 6:30 AM happy birthday calls, and saying “Hi Daddy” every time he called. I will miss hearing the sound of his car’s loud pipes coming around the corner to my house, his advice, his voice, and the tight hugs we shared. I will miss the way he said, “Hi Chant,” his manly perspectives on life, and the midday calls at work, as if I wasn’t busy. I will miss his wisdom and how he always made sure to compliment me on something. He had the unique ability to make any moment better just by being there. I am truly my daddy’s daughter, and I would choose him to be my father a million times over! This is such a shock. Please keep our family in your prayers as we cherish the memories and celebrate the incredible man he was. Funeral arrangements are below. Rest peacefully, Daddy. You will always be loved and never forgotten.

“ *With Heartfelt Condolences to the Family of Ronnie Barnes*

*Ronnie was more than a neighbor — he was a true friend. We'll always remember hearing him say, “Let me call you back, it's Chantel, It's Dad, or It's Carolyn calling.” Momma is still looking and listening for that black Mustang everyday — polished, proud, loud, and unmistakable as he'd back it up perfectly from the middle of University before easing it right back into the garage.*

*We loved sharing our food with him as he didn't mind pulling up in the driveway to grab his plate, say a few words, grace us with a smile, and scratch off. Ronnie, we miss you dearly, but we know you've got a front-row seat in heaven — tending to God's garden with that green thumb of yours, bringing life and beauty to everything.*
