“ Honey.. The Chariot swung low! You told me "Soso a band of angels coming to get me". What an awesome experience to know that you knew exactly who was coming for you. You were always like a second mother to me than a mother-in-law. We lived & loved together; over several decades our bond was ever broken. You and Big Mill cut for me from day 1 and even more once I had my 2. I definitely would not be the woman I am today if our lives never touched. I will always remember our Bible Study Times, your beautiful smile, your infectious laugh. Rest Now My Love! Forever in my Heart. SoSo
