We graduated high school together. I remember fun times because fun and laughter was a natural for any of us in that class when we were around you. Not many of us left now. These are the names that I remember from our class: Barbara, Gayle, Rogers, Leon, Eddie, Joyce, Velma, Alma, Claudine, Thomas(Bailey), Lois, Freddy, Arthur, Unzie, Annie Mae, King, William, Nathaniel, and Earnest. As I remember, To the family of Nanett or Nellie. 🙏

Auntie, I'm going to miss your smile, your jokes and your cooking. No one in the family could cook a ham like you. I know because I tried even with you talking me through it. I love you so much and will forever have you in my heart!!!!

Arlene R Robinson - January 26, 2022 at 02:57 PM

Also, Renee, she could cook that cabbage, I STILL cannot get it just right.

“ *Aunt Sedilia we never had a chance to spend any time together to talk, whenever I saw you it always was a time of sorry (funeral)... But I have to say that you always had the same smile, attitude just a pleasant person and I thank God for that.... this just shows us we have to make time to visit with family and enjoy ever moment God gives us on this earth...There will be an emptiness in many hearts.... R.I.P. Auntie*

“ TO: THE FAMILY OF SPRIGGS-WALKER FAMILY

FROM: GLORIA MARIE QUILLER THOMPSON FAMILY

I will miss her yearly visits either by phone or just stopping by to let me know she was in town visiting her sister. No one knows what and why things happens but we do know that God is in control and he never makes a mistake. It was her time. Hope there is comfort in knowing that others share in your sadness and want you to know that God's Will Has Been Done!

*With Heartfelt Sympathy,
Gloria Marie Thompson*

This is the hardest part of life, my Aunt Net was ALWAYS the life of the party, she was always the same, she did not hold grudges, I remember one time I snapped at her, and she said that she couldn't stand me at times, I started laughing and I swear, 2 minutes later, I was right back up in her face talking shit and she just talked like that did not happen 2 minutes earlier. She was always asking where Rodney was, b/c she KNEW he would be by her that beer, Aunt Net ALWAYS had to go to the store when she came up here and guess who she would call? "I wanna go by Doris', then take me by Tiny's", I said "you got some Doris and Tiny money?" Why she always gave me \$2.00 LOL, I would do it all over again. I do not understand any of this, but I know that GOD is in control.
