“ Truly one of the best and most caring teachers I ever had. In 1st grade I was somewhat of a problem child. Mrs. Woods recognized my potential and one summer went out of her way to come pick me up in Houston. She took me to a movie and to lunch and spent the day with me, even after i had been such a problem in her classroom. I will forever remember her kindness.

*Mrs. Woods was a mentor to me when I did my Student-Teaching at Prairie View Laboratory Training School, Prairie View, Texas. I was privileged and honored to teach on staff with her at I.T.Holleman Elementary School in Waller, Texas. She was an exemplary teacher, role model, and dedicated Christian. Her legacy will live forever through the lives of her first grade students, their parents, grandparents and co-workers.
God bless her family, friends, and extended families is my prayer.

“*Mrs. Woods demonstrated excellence through teaching young people. As a teacher, she was devoted to helping her students to learn and to soar. Her caring and nurturing qualities enabled her to reach children in a special way. She was keen on enabling each child to realize their potential and unique talent.*

Mrs. Woods was an elegant woman who dressed professionally and beautifully in the presence of her pupils. They were mesmerized by her good taste in fashion. She loved children and they loved her back.

Our mother and Mrs. Woods loved each other as friends, colleagues, and neighbors. We shall greatly miss her.

“*Theola Woods was an outstanding educator, Christian example, and friend to all. It was my honor to be her co-worker and friend at Waller Elementary School and Holleman Elementary School. We remained in touch until about five years ago. I cherish the memories. Now we can rejoice that she rests in the arms of her Creator. My thoughts and prayers are with her children and their families.*

“ *Theola was my dearest friend, mentor and confidant for 43 years. Describing her, in essence, is like attempting to describe a beautiful sunrise or sunset. Mere words are so inadequate! Theola was an angel who loved people, especially children and she unselfishly devoted her life to others, many times anonymously. She taught me to continuously lean on The Lord and to be obedient to His Word for He is always in control. A mighty prayer warrior she was and I am looking forward to seeing that sweet and precious loved one again!! Dearest family, May God surround you with His love and compassion. Love, Carolyn Plemper*

Such a beautiful lady inside and out. She ran a good race and kept her faith. Now GOD has presented her with an award. She has taken her wings presented to her on March 29, 2016. She will be truly missed. Stand on the Promise in the Bible which says, “I will not leave you comfortless, I will come to you.” John 14:18.
