“ *Soror Edmond was a true mentor and inspiration to all students that crossed her path. She was not the easiest English teacher, but she certainly did her best to make sure we were prepared. I remember while pleading, she saved me a few times from dietary trauma. I learned, she could make mean pot of greens. To her family, I offer many blessings. Marcia Babin*

The word above should be pledging, not pleading. MB

I remember the way Soror Edmond guided us to make wise decisions. She was always elegant in the way she shared her life with us. She will be missed.

“ I am truly glad I was able to be in Soror Edmond's company last December 2012 after the Eta Beta Celebration. Ms. Thetis Edmond was my English professor in 1975. I am reminded so many times of her words of wisdom and especially spelling. Some of the favorite words were Prairie and inconvenience. Our bond was set upon the initiation of Nervy Nine Fall 1976. My soror, my mentor, my friend thanks for all you have done to make us successful.

Sincerely,

MAJ (Ret) Shaune Gross
