“ I know it's several years late, but I vividly remember Timmie Neal Shorter. She and I worked together in Brooklyn, New York, at St. Francis College. My, that woman could tell a compelling story! And I at that time being a young mother, Timmie Neal had much wisdom to share. I hope her spirit knows I never forgot about her.

“ To Damita, Michael and other family members Timmie was funny and had some funny things to say. She participated in our church for a number of years. I have known her all of my life and did have the opportunity to serve communion to she and Mr Shorter for several years. She will be missed and we pray that God will give you strength and comfort during this time.

“ My deepest sympathy to the family during their time of bereavement. I remember Miss Neal when I first came to Prairie View A&M University. She was a great lady and was always helpful to students. May her spirit and legacy live on.
