“ My deepest sympathy to the Yepp Family on the passing of Mrs. Vernelle Yepp. May God grant you the spirit of grace and understanding during these hours of bereavement. Mrs. Yepp was a sweet soul and one of the caring persons I had the pleasure of knowing in the Computer Services Center in the Administration building. She always had a smile even when she had to say no when your program results only had one error and you needed to get to class because there were other students ahead of you. She had integrity and all the students and staff respected and loved her. May her spirit and legacy live on. God Bless!
