“ *My dearest Terry and the Jeffery's Family:*

I am very sorry to hear about the loss of your wonderful mother, Ms. Jeffery. I met your mother before I met you. I remember meeting her while she worked at PV in the College of Industrial Education & Technology. She told me she had a daughter that lived in the same complex that I was living at that time. You and I met and we have many fun memories to laugh about when we reminence about old times. It was always a pleasure to just sit and talk to Ms. Jeffery who was such a soft spoken woman who always had words of wisdom to share. Over the years I would telephone her looking for you and again we would have long conversations that I absolutely enjoyed. Thank you for sharing her. May your hearts be comforted and know that she touched the lives of many. God bless your family during your grieving process and continue to make her proud as she watches over each one of you. Your longtime best friend, Carolyn Williams and Family
